Software Installation
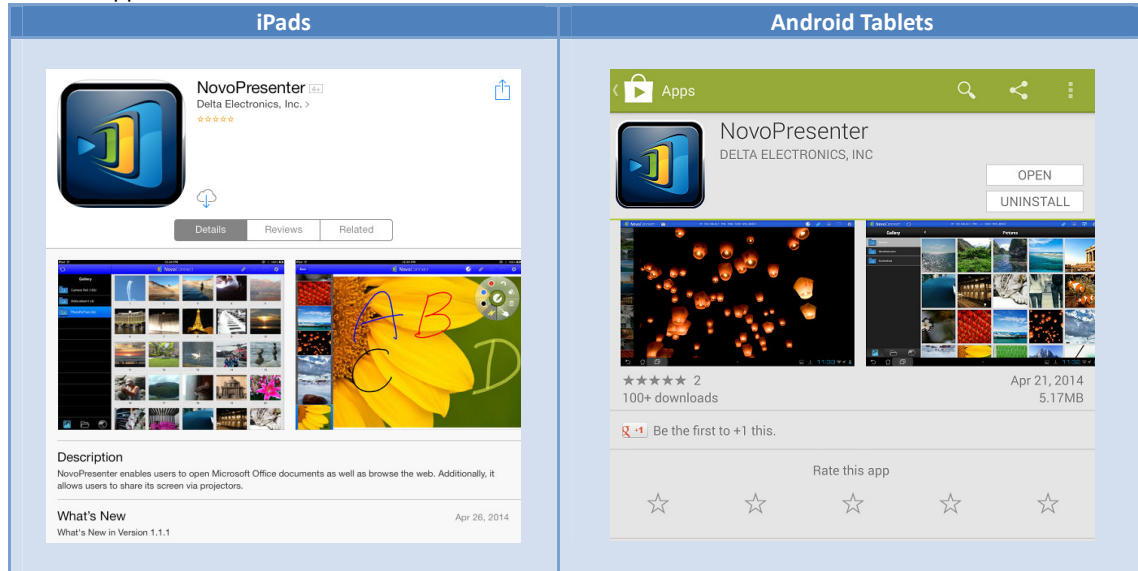

I.   iPad/Android-Pad: NovoPresenter

The App for iPads and Android Tablets is called "**NovoPresenter**." You should be able to install it through the associated App store.
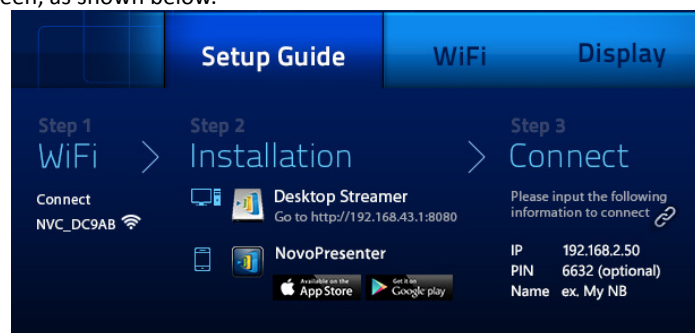

iPads	Android Tablets

Note: NovoPresenter's support of iPhones and Android phones will be added later.

II.   PC/Mac: Desktop Streamer

The software for PC and Mac is called "NovoConnect **Desktop Streamer**." There are several ways to obtain the installation package.

(1) Download it directly from the NovoConnect device. The steps involved are described on NovoConnect's projection screen, as shown below.

(2) Download it from the following Dropbox link
https://www.dropbox.com/sh/ta47q30q8zuvgcc/r1ADtEKX9r

Once it is downloaded, you can start installing the software by launching the software package.
